

**RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 1**

BRIAN E. CONLEY

OCCUPATION: Trustee/Educator/Budget Planner

Because of my promise to make the classroom the number one priority, you elected me to the Rancho Santiago Community College District Board of trustees in 1988. I now have a 16-year record of accomplishment toward that end. Consistently, I have fought to ensure that your tax dollars: support actual classroom instruction, provide the highest quality academic, vocational, and adult education programs, serve the needs of our diverse student population, and reduce administrative expenses. The result? Today R.S.C.C.D. is one of the most cost-effective college districts in California, while our graduation and transfer rates are at their highest levels in the 89-year history of the college.

I also supported the reinstatement of the Santa Ana College name and the establishment of Santiago Canyon College, California's 107th community college, to better serve our students.

My background includes participation as a student and teacher in California secondary, community college, and state university systems. I hold A.A., B.A., and M.A. degrees.

I am an educational leader, not a politician, and pledge to continue to bring my educational and budgetary experience, common sense, and commitment to the Rancho Santiago College District to make it the best it can be for our community.
